Convenience and Necessity. ) ON APPLICATION

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an Application filed by Carl Israel, Inc. (the Applicant) for a Class E Certificate of Public Convenience and Necessity to render motor freight service over irregular routes only, as follows:

COMMODITIES IN GENERAL, AS DEFINED IN R.103-211(1); ALSO EXCLUDING BANK COURIER COMMODITIES AND COMMODITIES COMMONLY TRANSPORTED IN ARMORED VEHICLES: Between points and places in South Carolina.

This matter is also before the Commission on the Applicant's request to change its name on the Application from Carl Israel, Inc. to J. C. J. Trucking, Inc. The Applicant asserts Carl Elton Israel is the sole owner of both corporations.

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and

time in which to file the appropriate pleadings. A Petition to Intervene was filed by Southeastern Freight Lines, Inc. (Southeastern).

Subsequently, the Applicant and Southeastern filed a Joint Petition for Restriction of Authority and to Withdraw Protest. In this Petition the Applicant agrees to amend its Application to read as follows:

Commodities in General, as defined in R.103-211(1); also excluding bank courier commodities and commodities commonly transported in armored vehicles; (2) limited to truck load lots only: Between points and places in South Carolina.

In return, Southeastern agrees to withdraw its intervention.

Upon consideration of the amended Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity. Moreover, the Commission grants the authority in the name of J.C.J. Trucking, Inc.

IT IS THEREFORE ORDERED:
